Dear Customer:

The following information is provided as a customer service to keep you informed about the status of the deposit for your Class "B" Permit. The amount shown below is the balance remaining in your account as of the date shown. If the amount shown is negative or is less than \$500 remaining, please contact the issuing permit office to estimate any additional deposit needed to complete your project. This additional deposit will avoid any disruption of work by the City on your project.
